

## Happy Hour Forum

Dear Fellow Members,

With the commencement of the New Senior Secondary (NSS) curriculum in 2009, we have to face a lot of new challenges --- how to face up to the increasing number of students with special educational needs (SEN) and how to prepare them for the NSS curriculum:

- ✓ Should we hire expert SEN teachers (a common practice in primary schools) to take up the role? or
- ✓ Should we train up different subject teachers to cater for their needs? Or
- ✓ Should each school choose to be expertized in a specific SEN field?
- ✓ How to .....

Committee members of our Association would like to share their experience and suggest ways to address the issue. You are cordially invited to attend our Happy Hour Forum, sharing your valuable experience with us, expressing freely your concerns, suggesting workable arrangements, etc.
