**Happy Hour Forum on 9 May 2017**  
**From Adaptive Learning to Learning to learn 2.0:**  
**Reflections and Inspiration from Tai Chung Study Trip**

Still remember we've learnt about 'Adaptive Instruction' (適性教學) promoted by Professor Bor-chen Kuo (郭伯臣教授) during our SRL Festival in November 2016? As a continuation of learning, we were grateful to have invited Professor Magdalena Mok to conduct a sharing session on 'Adaptive Instruction and SRL' for our members in March 2017. To further explore 'Adaptive Learning', some of our Ex-com and Task Group members are participating in a study trip to Tai Chung during the Easter Holiday. Looking back to Hong Kong, with the introduction of ongoing curriculum renewal (Learning to Learn 2.0) since 2014, is there anything we should consider more deeply?
