2017/2018 Newsletter No. 2

Dear Colleagues,

Warmest greetings! I would like to share with you some AHSS news in this Newsletter. I hope you would take a break in your busy schedule and enjoy reading this issue.

1. Extraordinary General Meeting cum Annual Conference

The AHSS is going to hold an Extraordinary General Meeting cum Annual Conference on 5 June 2018 and you are cordially invited to join.

Extraordinary General Meeting

HKAHSS has its status registered as a society under the Societies Ordinance. It is not a separate legal status and the liability of members is unlimited. After much deliberation in the Executive Committee and in consultation with our Honorary Legal Adviser, it is proposed that HKAHSS should be incorporated as a limited company by guarantee under the Companies Ordinance so that the association will have a separate legal entity and its members will enjoy limited liability.

The following resolutions will be proposed and put to vote at the EGM:

1. Resolution on the change of legal status of HKAHSS from a registered society to a limited company by guarantee.
2. Resolution to adopt the proposed Articles of Association.

According to the constitution, not less than one-fifth of the full members shall be present at the EGM to conduct a vote and that at least two-third of the full members present vote for amendments to the constitution. Your attendance at the meeting is of utmost importance. For your reference, please click on this link or scan the following QR code where you will find the proposed Articles of Association. If you have any enquiries or views, please contact Principal Tommy Lo at 24754781 on or before 21 May 2018.

Annual Conference 2018

The theme of the 2018 Annual Conference is “Tackling Educational Inequalities: Challenges and Actions”. We are happy that Professor CHIU Wing Kai Stephen (趙永佳教授), Chair Professor of Sociology, Department of Social Sciences, The Education University of Hong Kong, will deliver a keynote speech at the conference. It is an extension of learning on issues raised at the Education Colloquium in January this year and a chance for reflection on the situation in Hong Kong education.

Please find the details by clicking [HERE](#) or check the details of the Appendix attached. For enquiries please contact Principal Lau Yiu Hung at 2336 7327.

2. Startup – SRL Learning Communities Programme (SRL 社群啟航計劃)

A series of learning activities have been conducted to connect with participating schools as SRL learning communities. 20 principals together with their middle managers took part in a workshop on 13 March to learn about the SRL theoretical framework and development. Besides, they also visited two SRL network schools on 23 March and 17 April respectively as well as a workshop on SRL development plan and construction of teacher professional learning communities in school. Participants are all passionate and ready to serve as new force for the coming SRL development in Hong Kong!

3. Let's Move Towards SRL 3.0 (同行邁進 SRL 3.0 計劃)

As you can see, in recent years, we constantly strive to exchange good teaching and learning practices to deepen the development of SRL and expand the learning circle led by the core team in our SRL Task Group.

To move further forward, five learning clusters, including Chinese Language, English Language, Mathematics, Economics and Basic Law Education, have been formed by teachers from different SRL schools. The learning clusters aim to improve student learning and teaching effectiveness through small-scale lesson study projects. Let us wait for their good news and they will share their experiences and learning in the upcoming SRL Festival.

4. Enrolment for Self-Regulated Learning (SRL) Festival 2018

(From November 2018 to January 2019)

The Association will continue to organize an SRL Festival in the new academic year of 2018-2019. The three-month programmes include “Open-class” sessions from November 2018 to January 2019 and a Joint-school Teachers’ Professional Development Day on 1 February 2019.

You and your teachers are cordially invited to join this Festival. We are most grateful if your teachers are willing to open their classes for peer observation and conduct the post-observation sharing. Their voluntary participation would certainly provide good opportunities for professional growth of everybody.
