HKAHSS Zoom Online Retreat 2020

Unprecedented Challenges... Part 1 《從未如此經歷過》上集

This past year must have been remarkably sealed with lifelong memories in the life of secondary school principals with so many uncertainties and challenges to be dealt with every single day. However, you have proved yourselves to be capable of collaborating calmly with your colleagues to resolve all these challenges.

To help members further contemplate the true meaning of our work and how we can embrace our faith in education, the HKAHSS would like to hold a retreat for members in May but cannot be materialized due to COVID-19. Since the pandemic is still severe, we are organizing an Online Zoom Retreat in September 2020. We hope to organize an in-person retreat later when the situation becomes more stable. We have invited Rev. Fr. Kwan Tsun Tong Thomas, a Catholic priest to lead us through input, quiet time and sharing to ponder upon our role as an administrator, a pastor, to get along with ourselves and at the same time still hold onto the true values and beliefs in the field of education. The retreat will resolutely provide you good food for thought and reflection, sharing and encouragement which you should not miss. To ensure the most rewarding experience, full participation without any disruption is requested. We earnestly invite you to join with details as follows:
