HKAHSS Newly Appointed Principals' Gathering

The HKAHSS would like to send our warmest welcome and congratulations to you as a Newly Appointed Principal. We are grateful indeed that you offer yourself audaciously and wholeheartedly to accomplish this challenging educative mission and strive to optimize the quality of education together here in Hong Kong.

As a Newly Appointed Principal (NAP), you may have the following questions:

1. Would I have a chance to meet other Newly Appointed Principals casually and get to know them personally?
2. In face of the challenges entailed by my new role, could I meet some other experienced principals, share my concerns and have a dialogue with them?
3. Could I achieve professional growth through discussion and sharing of good practices on the daily routine of principals, responding to EDB circulars, implementing contingency measures in face of epidemic, etc.?

To positively answer all these questions, the HKAHSS is organizing a Newly Appointed Principals' Gathering for all NAPs in September 2021. In this gathering, we hope to give you a chance to know not only the Newly Appointed Principals, but also grasp the chance to know the members of the HKAHSS Executive Committee and Task Groups in order to establish liaison among professional principals and offer support to one another in our leadership role. Therefore, this is a precious chance you definitely should not miss.
