HKAHSS Happy Hour Forum November 2021

It has been a while since we last had a chance to meet and share our views on educational issues among Secondary School Principals. It is hoped that this gathering will help you understand that HKAHSS fully supports its members. We believe that the Principal's attitude is important when tackling the confirmed changes and expectations from EDB, colleagues and society. And in face of the migration wave, it is expected that suggestions or sharing will help members brainstorm ideas in preparation for Staff Deployment, SDD training and sustainability of Principals and Vice-principals for effective management under the current circumstances.

The HKAHSS is organizing a Happy Hour Forum to provide an opportunity for us to hear from one another and share enriching insights so that we may really focus on the essentials and map out the way ahead with a clearer mind. Therefore, this is a precious chance you should not miss.
