Dear Members,

HKAHSS Annual Conference 2022 on 31 May 2022 (2:00p.m.-5:30p.m.)

In view of the ongoing fifth wave of the COVID-19 situation, the HKAHSS will conduct a hybrid Annual Conference (AC) where members could choose to attend and participate in the physical meeting at Baptist Lui Ming Choi Secondary School or through an online platform at Zoom (Zoom ID: 954 1020 0169; password: AHSSAC).

Mr. Eric Chan Sze-yuen (陳思源先生), the Chief Public Mission Officer of Hong Kong Cyberport Management Company Limited (香港數碼港管理有限公司首席公眾使命官), has accepted our invitation as honorary guest to conduct a keynote speech titled "Click & Tap: Inno Tech and Future Education". We are also very pleased to have invited two I.T. and Education Practitioners, Mr. But Ho-ming (畢浩明先生) and Mr. Tony Kwok (郭庭軒先生), to share with members on "Wow & Wonder: Practitioners' Insight". In the Conference, Ms. Lee Suet-ying (李雪英校長), the Co-convenor of the HKAHSS Adaptive Learning Platform Task Force, is going to give us a progress update. There will also be a forum for participants to exchange views with guest speakers.

We cordially invite you to join our AC this year. For members who would like to attend the conference using online platform, please refer to the following guidelines of video conference. Your cooperation is deeply appreciated.

1. Log in to the meeting 15 minutes in advance, to register and verify the identity of the participants;
2. Enter your full English name when logging in, which should be the same as the name entered during registration to verify your identity;
3. Please turn on the camera during the meeting. To avoid excessive noise in the meeting, participants should use headsets or set the silent mode;
4. All documents and presentation materials of keynote speeches and sharing sessions are for internal use only. They can only be disclosed to the others with the consent obtained from the Association and the guest speakers;
5. All kinds of recording are prohibited without prior approval;
6. If there are any technical problems during the zoom meeting, please log in again or call 9072-7479 to contact Mr. Mak Man-chiu.

Due to the changing development of COVID-19, the Association may be required to adopt further changes to the AC requirements at a short notice. Members are advised to browse the website (<https://www.hkahss.edu.hk>) or check the whatsapp messages for the latest news relating to the AC. Enclosed herewith, please find the programme of the AC. If any member has any further question, please feel free to contact Ms. Veronica Yau on 2144-4545.

Yours sincerely,

Mr. Lin Chun-pong
Chairman

Biography of Speakers

Mr. Eric Chan Sze-yuen

Ir. Eric Chan is the Chief Public Mission Officer of the Hong Kong Cyberport. Ir. Chan is in charge of building the ecosystem of nurturing start-ups from inspiring the next generation, through nurturing the entrepreneurial spirit, to empowering global ambition, by providing comprehensive entrepreneurship programmes and early stage funding.

Ir. Chan has 32 years of experience in the ICT industry, a chartered engineer, a chartered marketer and a fellow of Institution of Engineering & Technology (UK). Prior to joining Cyberport, Chan was a Director of HGC Global Communication; and had held various senior positions in global telecom and IT services companies including PCCW, PCCW Consulting Services, Cable & Wireless HKT. Ir. Chan has been active in public services, especially in education and industrial training, professional bodies and charitable organisations. Ir. Chan is the Chairman of Knowledge Management Development Center, Vice Chairman of Industrial Training Advisory Committee (ICT) and a member of Curriculum Development Council. He also serves as advisor and mentor at the University of Hong Kong, the Chinese University of Hong Kong and the Hong Kong University of Science and Technology.

Ir. Chan holds a BSc. (Hon) degree in Engineering from University of London, a Master degree in Business Administration from Manchester Business School, and received Executive Education from INSEAD and IESE business schools.

Mr. But Ho Ming

Studied Social Science and Statistics in CUHK and London School of Economics; formerly Lecturer in the Polytechnic University and Manager in the Telecommunications Industry and Consulting Practices, started a Robotic Education and Decision Science Workshop after retirement, and active in Learning Platform development in the last few years. Apart from Information Technology, But HM also served as Trustee in a number of Charities and NGOs, including WYNG Foundation, Class 7A Drama Society, Parks & Trails Limited, and Produce Green Foundations.

Mr. Tony Kwok

Studied Electrical & Electronic Engineering in HKU and University of Birmingham, Managing Director of Peanut King Solution Limited; Champion in Inter-school Engineering & Robotic Competitions in student days, currently Entrepreneur in Robotics and Robotic Education, supporting resources and IT teaching platform development in the last 6 years, pioneering the introduction of Computer Learning and AI in secondary schools in HK.
