

HONG KONG EDUCATION PODIUM

A big WELCOME from the Hong Kong Education Podium Limited (HKEdP)

The Adaptive Learning Platform (ALP) on Mathematics (S.4 – S.6) officially launched for trial in September 2023 has the following features:

1. It is multifunctional. It can serve as a self-studying platform, a teaching learning platform and an assessment platform,
2. Artificial Intelligence will be applied,
3. Gamification will be an important feature,
4. Social Learning will be encouraged through the system, and
5. Intelligent Tutoring will be provided in the system.

There are 36 schools in our pilot run launched in September 2023 and we are planning for our next step for further expansion.
